Our Philosophy

To introduce students to the vast field of Cosmetology and it's supporting industry.

Inspiration will be the foundation of this experience through education, technical excellence, and communication skills.

We will expose our students to the many options available in the beauty and wellness professions. Throughout this training our established group of students will explore and develop a clear understanding, increase dedication, passion and teamwork.

Appointments are made Thursday and Friday's only

According to student schedule

8am-1:00pm

Please call for an appointment.

Only Junior, and Senior students work with clients with Instructor supervision.

We reserve the right to refuse a client based on educational requirements.
