Part of Windham Tech’s Mission Statement is to provide a unique and rigorous high school learning environment. The Windham Tech Parent Faculty Organization (PFO) is proud to support Windham Tech’s mission. The PFO raises money to support scholarships and numerous student and sports activities throughout the year. The PFO also serves as a link and a voice between the school and parents and works to foster communication. The PFO meets the 2nd Tuesday of each month at 7:00 PM in the Windham Tech Cafeteria. All parents and faculty are always welcome to attend. Meeting minutes are included on the PFO page of Windham Tech’s web site at <http://www.cttech.org/WINDHAM/pfo/pfo.htm>.

Are you interested in taking a more active role in your child’s education? Come to a meeting, check out the web site, volunteer for one of our events, join the PFO – get involved! The more members and ideas we have, the more we can do to support our children and Windham Tech. PLEASE JOIN TODAY!
