B. Career Academy Cooperative Agreement with Meriden Board of Education

Mr. Trefry introduced, Attorney Susan Scott, CTECS Legal Director, and Mr. Pasquale Ciarleglio, CTECS Apprenticeship Education Consultant, who gave an overview of the anticipated program at Wilcox Technical High School.

CTECS and the Meriden Board of Education would like to establish a cooperative arrangement whereby students from Francis T. Maloney High School and Orville H. Platt High School participate in the Career Academy offered by H.C. Wilcox Technical High School (“Wilcox Career Academy”).

With an anticipated start date of January 11, 2021, Wilcox Career Academy will offer Career and Technical Education (“CTE”) in the following trade areas:

• Culinary Arts
• Manufacturing Technology
• Facilities Carpentry
Meriden Public School ("MPS") students currently enrolled in grades 10 and 11 shall be eligible to participate. Up to 18 students per trade will be recruited and selected by MPS. Instruction shall take place after school between the hours of 3:00 p.m. to 5:30 p.m., Monday through Thursday. MPS students will earn CTE credit upon successful completion of the program.

Students who participate in the Wilcox Career Academy remain enrolled in MPS and the Wilcox Career Academy shall be considered a MPS-sponsored school activity. CTECS will provide all of the staffing, materials and equipment. The Meriden Board of Education will reimburse CTECS for the cost of the services of a school nurse. Meriden Board of Education shall maintain sole responsibility for transportation and special education services for its students.

Pursuant to of Conn. Gen. Stat. Section 10-95(c), CTECS’ Board “may enter into cooperative arrangements with local and regional boards of education... in order to provide general education, vocational, technical, technological or postsecondary education or work experience.”

Questions/Discussion included:

Mr. Brown shared his thoughts on job placement and career opportunities for certain trades.

Dr. Vallieres shared her views on the importance of enlightening students on high paying career opportunities, and stackable credentials after high school. She continued to advocate for career counseling to provide additional understanding of the amount of time required for certain career outcomes.

Dr. Vallieres encouraged facility use reviews and the benefits of adult education programs to offset costs.

Mr. Wihbey shared some adult education initiatives that are currently in place, and promised a review of the districts adult programs during a future board meeting.

Mr. Auker offered his support from a technology standpoint to assist in future endeavors.

Commissioner Westby moved, Ms. Keavney-Maruca seconded, that the Board approve the cooperative agreement.

IX. Report of the Superintendent of Schools

A. Superintendent’s Report

Mr. Jeffrey Wihbey, CTECS Superintendent of Schools shared an overview of his report.

A few highlights:

- The new CTECS online application is open to the public. This new application is a process improvement aligned with our new admissions policy. It is now a centralized application and is highly useful and effective during the pandemic. With over a month to go prior to review of applicants, over 2,000 students have begun their application and nearly 500 students have completed their application. This will allow for consistent review and timing notification of applicants in February.

- Our RSCO schools, Prince Tech, Goodwin Tech and Cheney Tech, have benefitted from a new online application platform and marketing vendor. This has resulted in a new perspective of our process and a more user-friendly application and outreach effort. We anticipate a more informed applicant pool and a comparable number of applicants that we received in the previous two years.

- The Career Academy located at H.C. Wilcox Technical High School in Meriden is scheduled to open on January 11, 2021. CTECS will be offering Meriden Public Schools (MPS) 10 & 11 graders three CTE offerings: Culinary Arts, Facilities Carpentry, and Manufacturing Technology. Twenty-three students have been recruited to participate in the program (13 in Culinary Arts, 5 in Facilities Carpentry, and 5 in Manufacturing Technology). The program will afford MPS’s student the ability to earn up to 2.5 CTE credits per school year.

- Executed a contract with Frontline Applitrack for electronic recruitment and hiring of teachers, administrators and eventually all CTECS staff. The targeted go-live date is March 12, 2021. The anticipated impact of this new software includes a deeper talent pool, streamlined recruitment and hiring process, reduced time from vacancy to hire, one-stop record collection and retention.

- Published CTECS Works, a quarterly newsletter from CTECS. The newsletter is distributed electronically to over 35,000 individuals including parents, students, staff, alumni and industry partners. The newsletter increases public awareness of CTECS by sharing accomplishments, announcements and opportunities available at CT’s technical high schools and adult programs.
Questions/Discussion included:

Ms. Gold shared her thoughts on outreach initiatives at virtual PTA meetings.

Mr. Wihbey shared some recruitment difficulties at the local town school level.

Mr. Trefry asked for clarification on Applitrack.

Mr. Wihbey shared the advantages of being able to access different talent pools.

A copy of the Superintendents Report is included in the official file of this meeting.

B. Communications Update

Ms. Kerry Markey, CTECS Communications Director shared an overview of the latest work out of the communications department.

A few highlight:

- Latest CTECS Works Newsletter
- Alumni Video Series

Questions/Discussion included:

Ms. Gold shared a few alumni who would be great to include in future videos and publications.

Mr. Trefry shared his enthusiasm for the publication.

Ms. Keavney shared the suggestion to reach out to Union leadership to provide contact resources to CTECS Alumni who are successful.

C. Pandemic Response Update

Mr. Jeffrey Wihbey, CTECS Superintendent of Schools shared an overview of the members and the purpose of the CTECS Pandemic Response Team. He provided a brief update on what their areas are doing in support of the CTECS district students, families, and staff, during the current COVID-19 Pandemic.

A few points:

- Sanitation / Disinfecting / PPE Supplies / Protective Screens
- Contact Tracing / Weekly Department of Health Conference Calls
- Schools have been in Phase 3 and Phase 4 due to uptick in COVID cases
- Constant Communication with Principals, Staff, Student, and Parents.
- Distance learning committee – full distance /hybrid programming
- Legal counsel as situations arise. Continued focus on the safety of staff and students.

Questions/Discussion included:

Mr. Brown asked for updates on maintenance staff and vaccinations.

Mr. Wihbey shared that staff are strained, but coping with the ever-changing COVID scenarios. He continued to share overtime report numbers due to limited staff due to quarantine measures and/or positive cases.

Mr. Wihbey shared preliminary discussions have begun regarding vaccinations, specifically, legal ramifications.

Mr. Wihbey shared ideas of potential compulsory summer school programs to get students up to speed with academics due to the changes in academic programming since the pandemic.

Dr. Valleries shared some potential online resources for students: Ready CT and the State of CT 180 Skills Training.

Dr. Anderson shared his views on the efforts being made in industry to understand the long term effects of COVID on the future workforce.

Mr. Trefry share his thoughts on the balance between safety and academic programing.

D. Credentials and Work Based Learning(WBL) Update

Mr. Jeffrey Wihbey, CTECS Superintendent of Schools shared an overview of the monthly Credentials and Work Based Learning reports.

A few points:
- Wilcox has process in place that ensures timely and accurate documentation in PowerSchool.
- Currently 339 students are participating in work based learning
A copy of the Certifications and Work Based Learning Reports is included in the official file of this meeting.

E. Expenditure and Revenue Report
