ARTICLE 1
UNION RECOGNITION AND RIGHTS

Section One.

The State of Connecticut recognizes the State Vocational Federation of Teachers, Local 4200A, American Federation of Teachers, AFL-CIO as the exclusive bargaining agent for all employees in positions covered by the certification issued by the State Board of Labor Relations in Decision No. 1694 (1978). Bargaining unit members may be referenced herein as “employees”, “instructors,” “teachers,” “faculty members,” or “professional staff.” Unless stated to the contrary, the terms are intended to be synonymous. Any reference to “Board” means State Board of Education as well as any other state agency or board that a public act of the State of Connecticut designates to establish and maintain the Connecticut Technical Education and Career System (“CTECS”).

Section Two.

Upon receipt of a written authorization from an employee submitted through the Union so providing, the Board agrees, for the term of this Agreement, to deduct Union membership dues from an employee’s checks. Such deduction shall be discontinued upon written notification from the Union thirty (30) days in advance.

When an employee resigns or retires at the end of the school year, the employee’s final paycheck shall include deductions for the balance of the twenty-six (26) payments of dues or agency service fees not yet paid during the school year.

Section Three.

The Board shall provide to the Union on a monthly basis the names, addresses, assignments and hiring date of all new employees covered by this Agreement and, further, the Board shall furnish monthly the names of all bargaining unit employees who terminate.

Section Four.

The amount of dues deducted, along with a listing of personnel, shall be remitted to the Treasurer of the Union within fifteen (15) days after the payroll period in which such deductions are made.

Section Five.

Payroll deduction of Union dues shall not be collected for other employee organizations not parties to this Agreement.

Section Six.

The Board shall continue its practice of payroll deductions as authorized by employees for purposes other than payment of Union dues.

Section Seven.

No payroll deduction of dues or fees shall be made from Worker's Compensation or for any payroll period in which earnings received are insufficient to cover the amount of deduction, nor shall such deductions be made from subsequent payrolls to cover the period in question.

Section Eight.

The Union shall indemnify the Board pursuant to Section J of Public Act 21-25, as may be amended from time to time.

Section Nine.

Upon permission granted by the Principal, which shall not be denied unless the facilities have already been scheduled for use or are reserved for such scheduling, the Union may use school facilities for Union meetings before and after that school's designated student day, provided there is no interference with school operations or student activities.

Section Ten.

The Union shall have the use of a faculty bulletin board in faculty lounges for the purpose of posting appropriate notices and bulletins relative to the activities of the Union. Except where prohibited by law, the bargaining agent shall have exclusive access to employees' mail boxes for the purpose of distributing Union bulletins, leaflets, pamphlets and other materials.

Section Eleven.

Union building representatives shall be granted access to and use of school photocopy and facsimile equipment for Union business, provided that such use shall be during that representative's non-contact times and does not interfere with school business. Notice shall be given to the School Principal or his/her designee. If no administrator is in the building, the building representative shall be allowed to use the photocopy and facsimile machines without prior notice if it does not interfere with school related activities and subsequent notice is given. The Union will cooperate in preventing abuse of this provision, and the Board reserves the right to demand reimbursement for materials used, if and when it can be shown that such demand is appropriate.

Section Twelve.

Union staff representatives shall be permitted to enter the schools, e-mailing and reporting first to the School Principal or his/her designee, for the purpose of discussing, processing or investigating grievances or fulfilling their role as collective bargaining agents, without interfering with administrative assignments, classes or other teaching duties of employees.

Section Thirteen.

The Board shall provide the Union with requested information, statistics and records relevant to negotiations or necessary for the proper enforcement of the terms of this contract, to which the Union is entitled by law in order to fulfill its role as collective bargaining agent, at no cost to the Board. Routine requests of a minor nature will not be charged to the Union. Confidential information pertaining to individuals shall not be provided unless authorized in writing by the affected individual.

Section Fourteen.

Upon request an employee shall be entitled to Union representation in any investigatory, fact-finding hearing, meeting or conference, if the employee reasonably believes that the investigation may result in discharge or discipline. If a Union representative is not available at the time the meeting is scheduled, and there will not be more than a weekend between the time of the originally scheduled meeting and the next work day, the meeting may be postponed at the request of the employee or the Union, to not later than the next work day morning unless there are exigent circumstances which call for having the meeting at the scheduled time.

Section Fifteen.

Grievance investigation may be conducted whenever an employee is not performing teaching duties or an administrative assignment.

Section Sixteen. Union Leaves.

A. Release for Hearings

When a Union officer or building representative is required to present the Union's case at an arbitration hearing or at a proceeding before the State Labor Relations Board, he/she shall be released from duty with no loss of pay.

B. Union Business Leave

Time off with pay shall be granted for official Union business as follows:

- (1) For official Union business conducted on behalf of the entire collective bargaining membership in the Connecticut Technical Education and Career System, a

maximum of eighty-five (85) additional days per year shall be allocated, the total to be the sum of days taken by various Union representatives within the collective bargaining unit.

(2) Time spent at arbitration hearings shall not be counted against time granted in (1) above.

C. Leave of Absence for Union Officers

Upon written request of the Union, submitted at least ninety (90) days prior to the start of the work year, the Board shall grant full-time leaves of absence to not more than three (3) employees for service as officers or staff employees of the Union (local, state or national). For the equivalent of up to one and one-half positions in the aggregate, the leave shall be with pay. The Union shall notify the Board of the manner in which the paid leave shall be allocated among those on leave. For those not designated for paid leave by the Union, the Board shall continue to pay regular salary and benefits, and the Union shall reimburse the full cost of said salary and benefits, including but not limited to the cost of health and retirement benefits, to the Board by making monthly payments of the full cost of such salary and benefits. Annually, the Board's fiscal office shall review the reimbursements made under this provision and notify the Union of any additional payment required to ensure that the Union has made payment in full. Such additional payment shall be made within thirty (30) days of written notice to the Union.

All leaves under this provision shall be coterminous with the term of office and the school year. Extensions of said leave may be requested and shall be favorably considered. Leave shall be with position held, unless there is mutual agreement to the contrary. If an officer is returning from leave and the position which he/she formerly held has been eliminated because of a reduction in force or for other reason, the parties shall meet to discuss and resolve the matter; if no mutual agreement is reached, the dispute may be submitted by either party to expedited arbitration. An employee who terminates as an officer or staff employee prior to the expiration of his/her leave of absence may request to return to work earlier. In such case, the school district shall attempt, but shall not be required, to accommodate the request for early return. Employees granted leaves of absence under this subsection shall receive credit toward:

- (1) annual salary increments on schedules appropriate to their rank, and
- (2) seniority.

This leave shall not be considered as a break in service for any purpose.

Section Seventeen.

A copy of all CTECS Board meeting agendas shall be provided to the Union President at least twenty-four (24) hours in advance of the meeting. The approved minutes of the CTECS Board will also be provided.

Section Eighteen.

The Union will furnish the Board with a list of officers and building representatives and will keep the list current.

**ARTICLE 2
BOARD PREROGATIVES**

Section One.

All employer rights, powers, functions and authority are retained by and shall remain solely and exclusively vested in the Board, except as limited by this Agreement. Such rights include, but are not limited to, the following: to maintain such educational activities as, in its judgment, will best serve the interests of the students and of the State of Connecticut; to decide the need for school facilities; to determine the care, maintenance and operation of buildings, lands, apparatus and other property used for school purposes; to determine the number, age and qualifications of the pupils admitted into each school, and to select, employ, assign, transfer, suspend or dismiss faculty provided such actions are not inconsistent with the specific terms of this Agreement; to designate the schools which shall be attended by the various students; to prescribe rules for the operation, organization, studies, classification and discipline for its schools; to decide the textbooks to be used; to make rules for the arrangement, use and safekeeping of the school libraries and to approve the books selected therefore; to approve plans for school buildings; and to take necessary action in case of emergency.

Section Two.

It is agreed that the Board and its agents will not use its retained rights in such a manner as to nullify, abrogate or circumvent the terms and conditions of this Agreement. Nothing in this Agreement shall be deemed to derogate or impair the powers and the responsibilities of the Board. The Board retains exclusively to itself all the rights, powers and responsibilities that it has or may hereafter be granted by law, and the exercise of such rights at its discretion shall be final and binding and not subject to the Arbitration provisions of this Agreement. The Board recognizes that the exercise of these powers and responsibilities must be consistent with the specific provisions of this Agreement and Connecticut General Statutes Sections 5-270-280.

Section Two. Method of Salary Payment.

The current method of salary payment shall continue in force. For new employees or employees returning from leave at the start of the school year, the first paycheck shall be for the number of days actually worked starting with the first day of work in the school year (i.e., the first official teacher day in the year). Salary shall continue to be paid for the remainder of the 26 biweekly pay periods, provided the full school year is worked. Such notice will be signed by the Associate Commissioner or other managerial designee.

Section Six. Paycheck Distribution for Payday on Friday after Thanksgiving.

In those years when a payday falls on the Friday immediately after Thanksgiving, paychecks shall be released at the conclusion of the workday on Wednesday, provided they are available at the school. Such checks may not be cashed or deposited prior to 3:00 p.m. on the day of release.

Notwithstanding any prior practice, whenever an employee is required to travel to a mandatory statewide professional development conference and the distance is greater than the employee's normal commuting distance, the employee shall be reimbursed for the extra travel involved at the prevailing rate for mileage reimbursement.

Section Nine. Annual Increments and Payments for Teachers at Maximum.

A. Annual Increments

A full-time employee or regularly scheduled part-time employee who is employed in a permanent position will receive annual increments as follows, provided that, in the previous school year, the employee worked or was in pay status for at least one-half of the days in the work year as set forth in Article 6, Section One.

In each of the first three years of this Agreement (2021-2022, 2022-2023 and 2023-2024), teachers shall advance one step on the salary schedule in accordance with previously established standards and procedures.

The provisions of this Section are subject to the maximum salary for the employee's salary group and the limitations of Section One of this Article.

New employees or employees returning from leave of absence without pay must work not fewer than one-half of the school days in the school year in order to be eligible for the annual increment in the following school year.

B. Payments for Teachers at Maximum

- (a) For the 2021-2022 contract year, all teachers who are at maximum and therefore not eligible for an annual increment shall receive a lump sum bonus in the amount of one thousand five hundred dollars (\$1,500) payable as soon as practicable after the General Assembly ratification of this agreement.
- (b) For the 2022-2023 contract year, all teachers who are at maximum and therefore not eligible for an annual increment shall receive a lump sum bonus in the amount of one thousand five hundred dollars (\$1,500) payable the first pay period in January of 2023.

Section Ten. Longevity.

- (b) For employees not excluded from eligibility for longevity by subsection a above, the following shall apply:
 - (1) The schedule for longevity payments shall be as set forth in Appendix C.

- g) Periods of “summer leave” (when an instructor is off the payroll due to his/her having commenced employment after the start of the school year) shall be credited for purposes of determining eligibility for and amount of longevity payment.
- h) An employee recalled from layoff shall have previously qualifying longevity service credit restored.

Section Eleven. Salary Placement on Change in Status.

See Appendix A.

Section Twelve. Salary Upon Recall or Reemployment.

An employee who resigns or who returns to employment from a layoff list with two years of separation shall be restored to the same salary level as held at the time of separation. Such employee shall also retain whatever status he/she had relative to tenure at the time of separation.

Section Thirteen. Overpayments

When the employer determines that an employee has been overpaid, it shall notify the employee of this fact and the reasons therefore. The employer shall arrange to recover such overpayment from the employee over the same period of time in which the employee was overpaid unless the employer and employee agree to some other arrangement. In the event the employee contests whether he/she was actually overpaid, the employer shall not initiate the above referenced procedures until the appeal is finally resolved through the grievance process.

**ARTICLE 4
FRINGE BENEFITS**

Section One. Workers' Compensation.

- (a) All employees covered by this Agreement shall be covered by Workers'

Compensation.

- (b) When an employee has become temporarily disabled as a result of illness or injury caused by his/her employment, said employee may opt, pending final determination as to the employee's eligibility to receive Workers' Compensation benefits, to charge said period of absence to existing leave accounts. When a determination is made supporting an employee's claim, the employer shall rectify payroll and leave records in accordance with said determination.
- (c) Accrued leave time may be used to supplement Workers' Compensation payments up to but not beyond the regular salary.

Section Two. Medical, Dental and Life Insurance.

- (a) In case of unpaid leave of absence for illness, injury or disability, the State will maintain its contribution to medical and dental insurance for up to one (1) year. In the case of unpaid leave of absence for any other reason, the employee may maintain enrollment in such plan(s) by paying the entire premium(s), except as provided in subsection (a) above.
- (b) Medical Insurance coverage for newly hired or newly eligible employees shall be effective as follows, except as provided in subsection (a) above:
 - (1) for those beginning work or newly eligible at the start of the school year, not later than November 1;
 - (2) for all others not later than sixty-two (62) calendar days following the start of work or eligibility.
- (c) Whenever an employee has a question concerning his or her medical insurance coverage, written confirmation shall be provided upon written request to the school business manager.
- (d) The State's group life insurance plan, pursuant to Conn. Gen. Stat. 5-527 shall continue to be available to employees.

In addition to this life insurance coverage, optional group life insurance may be purchased by an employee. Coverage of up to an additional \$50,000, in increments of \$5,000, may be purchased. Any employee electing such additional coverage shall pay the full cost thereof and such optional coverage shall be subject to the terms and conditions governing same under the State's policy. Optional life insurance coverage is not included when calculating the amount of reduced life insurance coverage upon retirement.

Section Three. Personal Days.

- (a) On the first day of the school year, all full-time bargaining unit employees shall be credited with three (3) days of Personal Leave without loss of pay or benefits, not deducted from sick leave credits and not accumulated from school year to school year, except as provided in (f) below. Any full personal days which are not used by the end of the school year may be returned to the State for payment. Payment shall be at the daily of \$155 until the daily substitute rate increases beyond \$155. At such time, the payment shall be at the daily substitute rate in effect on June 1st. A teacher requesting payment must do so in writing on a form provided by and in accordance with instructions issued by the Payroll Department.
- (b) Instructors appointed after the beginning of the school year but before April 1st shall likewise be credited with three (3) personal leave days per school year on appointment. In the event the new instructor separates from his/her position prior to December 31st and has used more than one day of personal leave, the employer will deduct from his/her final paycheck an amount equal to the personal leave used in excess of one day. The amount due will be calculated at the instructor's per diem rate.
- (c) Except in emergency situations, leave shall be requested of the immediate supervisor at least twenty-four (24) hours in advance. It is not the intent of the Department to deny personal leave, except in extraordinary circumstances.
- (d) Personal leave requested on the day before or after a weekend, holiday or any day other than a scheduled work day shall be restricted to the following reasons:
 - a. Religious holidays;
 - b. Court appearance; court appearance in connection with school business shall not be deducted from personal leave.
 - c. Family emergencies or important personal business which cannot be transacted outside of scheduled working hours.

For the third personal day of a school year, instructors may be required to provide documentation to the Assistant Superintendent or Central Office designee regarding the reason for and to justify the use of personal leave time under subsection (d). The Board understands its obligation to maintain the confidentiality of such documentation and information provided by the instructor.

Not more than one personal day may be carried over to the following calendar year, but it must be used prior to the end of the school year. If said day is not used by the end of the school year, it may be returned to the State for payment as provided in sub-section (a) above. Personal days, or portions thereof, will not be denied on the final PD day, nor on days near

the end of the school year unless granting the day would affect the orderly running of the school.

At no time can a teacher have more than four (4) personal days accrued, except as provided in Subsection (g) below

- (f) In exceptional circumstances, and subject to mutual written agreement of the Superintendent and the Union President, a teacher who has used all personal days for the year, may borrow one personal day from the coming year. In the event that the teacher leaves employment prior to the next year's grant of personal days, one day's pay at the per-diem rate shall be deducted from the teacher's final pay check.

Section Four. Sick Leave.

- (a) Sick leave shall accrue at the rate of one and one-half (1.5) days per completed calendar month of continuous service, including leave with pay, not to exceed fifteen (15) days per year. Sick leave shall accrue for the first ten (10) months in which an employee is receiving Workers' Compensation benefits. No sick leave will accrue for any calendar month in which an employee is on leave of absence without pay an aggregate of more than five (5) working days.
- (b) Upon retirement an employee shall be paid twenty-five (25%) percent of the per diem rate, for each day of unused, accumulated sick leave, up to a maximum payment equivalent to sixty (60) days' pay. Employees who on entering State service elected to remain covered under the Teachers Retirement System rather than enrolling in the State retirement plan shall also be eligible for such leave buyback under this Section. This benefit shall also be paid to the beneficiary of a deceased unit employee, whose death occurred while that employee was on the active payroll, and who had achieved not less than ten (10) years of qualifying service.
- (c) An employee shall be granted sick leave:
 - (1) when incapacitated for duty;
 - (2) for medical, dental or eye examination or treatment for which arrangements cannot be made outside of working hours Employees are encouraged to schedule appointments either at the beginning or end of the work day.
 - (3) in the event of death in the immediate family when as much as five (5) working days leave with pay shall be granted, chargeable to sick leave. Immediate family means husband, wife, father, mother, grandfather, grandmother, sister, brother, child, grandchild,

mother-in-law, father-in-law, daughter-in-law, son-in-law, brother-in-law or sister-in-law, and also any relative who is domiciled in the employee's household;

- (4) in the event of serious illness or injury to a member of the immediate family, as defined in (3) above, creating an emergency, provided that not more than five (5) days of sick leave per calendar year shall be granted therefor;
 - (5) for going to, attending, and returning from funerals of persons other than members of the immediate family, if notice is given in advance, provided not more than three (3) days of sick leave per calendar year shall be granted therefor.
- (d) An employee shall notify the employer of sick leave use as much in advance as possible. An employee shall not be required to make more than one (1) call to notify the employer and engage the process for sick leave coverage.
 - (e) An employee laid off shall retain accrued sick leave to his/her credit provided he/she returns to State service on a permanent basis within two (2) years.
 - (f) An employee who has resigned from State service in good standing and who is re-employed within one (1) year from the effective date of his/her resignation shall retain sick leave accrued to his/her credit as of the effective date of his/her resignation.
 - (g) If an employee is absent for more than five (5) consecutive working days, the employee must submit a medical certificate. Failure to do so shall result in loss of pay. This shall not preclude an administrator from requesting a medical certificate where there is reasonable cause to suspect abuse. The administrator will assume the burden of establishing reasonable cause. An employee who is on leave pursuant to the Family and Medical Leave Act and/or leave pursuant to Section 5-248a of the General Statutes must submit a medical certificate on the State's official medical certificate form.
 - (h) When continued absences from work constitute habitual and frequent abuse of sick leave, the employee and the Union shall be notified in writing. A meeting will be scheduled between the employee, his Union representative and the Administration to discuss the problem. After having met with the employee the employer will have the option to deny sick leave pay. Continued abuse of sick leave shall subject the employee to progressive discipline.
 - (i) **Sick Leave Bank.** The Emergency Sick Leave Bank is to be used by

bargaining unit employees who have completed the three (3) years of full-time service in the Connecticut Technical Education and Career System. The enrollment period will be from September 1 to November 1 of each contract year. Employees wishing to enroll will notify the SVFT during this time period. The SVFT will forward to Education Personnel a list of eligible employees on or before November 15. No new enrollees will be accepted after that date. An eligible employee requesting use of emergency sick leave may make application on the prescribed form to a Labor Management subcommittee established to administer the program. All committee meetings will be scheduled after 3:00 p.m. at a location agreeable to the members. - (2) Days contributed to the bank shall thereafter be allocated to bargaining unit employees with catastrophic or extended long-term illness.
- (3) To be eligible for allocations of sick days from the bank, an employee must meet the following conditions:

 5. The bank is not depleted.
- (4) Benefits under this Article shall accrue at the rate of one (1) day for each day of illness or injury provided that the employee has been disabled for a minimum of ten (10) working days. No employee shall be eligible to draw from the bank if the fund is depleted. Employees receiving benefits under this Article shall not accrue sick leave during the period of eligibility or be eligible for holidays or other paid leave benefits. The subcommittee shall consider as a factor the extent and circumstances of the applicant's

usage of sick leave prior to the illness in question.

- (5) Unused days in the sick leave bank shall be carried over from year to year and shall not lapse.
- (6) If at any time the balance in the bank should drop to ten (10) days, each eligible employee shall be assessed one (1) additional day from his/her accrued sick leave.
- (7) An employee who has been granted some portion of the sick leave bank, and who returns to work, shall repay the bank at the rate of twenty-five percent (25%) of his/her unused accrued sick leave each December 31 and June 30 thereafter. In the event that the employee leaves employment, any unused accrued sick leave shall be used to repay the balance owed to the sick leave bank.
- (8) The actions or non-actions of this subcommittee shall in no way be subject to collateral attack or the grievance/arbitration machinery. Removal from participation shall be declared not later than the last student contact day of the school year, and shall be deemed effective at midnight on June 30th of that year. There shall be no refund of contributions, and said election, once made, shall be considered irrevocable during that school year. The withdrawing employee will be responsible for all contributions authorized through June 30th of that year.

Cutoff of Claims: An employee who has submitted the appropriate form to withdraw may not make any claim for benefits that either begin after or continue past the June 30th cutoff.

Return to Bank Status: An employee who seeks to return to Sick Leave Bank status shall be treated like a new employee, except that the three-year waiting period shall be waived.

Return with Infirmity: An employee who has withdrawn may return to the Sick Leave Bank during the designated enrollment period, but in the case in which the employee is already acknowledged to be incapacitated, there shall be a waiting period of not fewer than fifteen (15) nor more than sixty (60) working

days. Said deductible shall be determined by the subcommittee, based upon years of participation and duration of separation from the Bank.

The Committee shall have at its disposal any reasonable resources as may be required to perform its functions. The Committee shall meet at such times and places as may be appropriate. The Board and the Union confirm their good faith commitment to use the Professional Health and Safety Committee as a vehicle to study this issue and make recommendations in a written report to the Superintendent.

- (5) Upon a written request from the affected employee, material of a derogatory nature shall be removed from the employee's personnel file after three (3) years of the initial filing date if the conduct or the condition was remedied during the three-year period. Confidential information shall consist of: evaluations, written reprimands, suspensions or derogatory information.

Material removed from the file under this provision may be used to rebut an employee's claim concerning his/her record of evaluations or discipline.

- (b) The employee shall be permitted to reproduce any material in his/her file. An employee shall be allowed ten (10) sheets photocopied without charge during any contract year. Excess sheets will be charged at twenty-five cents (25¢) per sheet.
- (c) An employee may grieve non-evaluation material placed in his/her personnel file; however, no such grievance shall be arbitrable unless such material is merged into an unsatisfactory evaluation or into a disciplinary proceeding.
- (d) This Article shall not prohibit administrators from maintaining written notes or records of an employee's performance separate from the personnel file for the purpose of preparing evaluations and/or service ratings or possible disciplinary action. However, should these records contain derogatory material, they shall not be used in any subsequent adverse personnel action unless the employee has received some form of written communication concerning the underlying problem in a timely fashion, normally within five (5) working days, relative to its recording.

- (e) Administrators shall be encouraged to place in the employee's file information of a positive nature, including any such material received from outside competent and responsible sources, indicating special competencies, achievements, performances or contributions of an academic, professional or civic nature.
- (f) No documents, communications and records relative to the processing of a grievance will be filed in the personnel file.

Section Two. Record of Access and Notice to Employee of Access.

A record of access shall be maintained by the Department or by the individual school, and shall be provided to the employee when he/she examines his/her file. This shall apply in cases where access has been granted to other governmental agencies or individuals not employed by the State Board of Education, and the employee shall be notified within two (2) days of the granting of the request for access; record of access and notification shall also apply when any individual employed by the State Board of Education is granted access and such individual does not normally have need to access school files or personnel files in the course of performing his/her duties. Routine access by the auditors of public accounts shall not require record or notification. Notwithstanding the above, a record of access to the file by State officials in the Departments of Education or Personnel and Labor Relations shall not be disclosed to an employee in the case of an ongoing, uncompleted investigation:

- (a) criminal
- (b) disciplinary prior to any investigative interview or
- (c) concerning a question of fitness,

nor shall the employee be notified of access by other governmental agencies in the case of an ongoing, uncompleted criminal investigation.

**ARTICLE 10
FACILITIES, SECURITY AND SAFETY**

Section One. Facilities Provided.

Subject to temporary disruption due to construction or remodeling, each school shall provide:

- (a) Faculty lounge space;
- (b) Faculty rest rooms separate from students;
- (c) Duplicating and typing facilities;

- (d) Furnishings and furniture properly maintained;
- (e) A desk, clothing locker or closet, and safe and secure storage space for materials and supplies for each employee;
- (f) Parking facilities;
- (g) Security for employees.
- (h) The school system will continue to work toward ensuring that systems exist whereby teachers can effectively and expeditiously communicate with the main office in the event of an emergency. Problems in this area shall be an appropriate item for action by the Labor-Management Committee.

Section Two.

The Department will attempt to correct deficiencies or inadequacies with respect to equipment, supplies and materials provided to shops or academic or related classes to the extent that such matters are called to the Department's attention by bargaining unit employees. Said deficiencies or inadequacies shall not by themselves be used against employees in the performance evaluation process.

Section Three.

Employees are not expected to work as custodians, maintenance personnel or security personnel outside of learning situations except in case of an urgent, unforeseen situation requiring immediate action.

Section Four.

Supervision of students is an integral part of an instructor's duties. An instructor observing a fight between students has an obligation to intervene; this includes verbal intervention, sending for help, and taking other reasonable steps to protect students, faculty, and property. An instructor is not expected or required to physically intervene. This does not mean that an instructor cannot physically intervene if the circumstances merit such intervention; it does mean that an instructor who chooses not to physically intervene will not be penalized for such choice.

Section Five. COSHA Compliance.

COSHA regulations shall be adhered to by the Board. All safety equipment and corrective measures required by COSHA shall be provided by the Board. In so complying the Board will make every good faith effort to maintain instructional programs.

Section Six. Claims for Damaged Property.

Claims for damaged property shall be made to the Connecticut Claims Commission in the manner prescribed by law. The address of the Claims Commission may be obtained from the Labor Relations Manager.

ARTICLE 11 VACANCIES

Section One. Posting and Eligibility.

- (a) When management decides to fill a newly created position or other vacancy, and such vacancy has not been filled by administrative transfer, the opening shall be posted on the school district's website for seven (7) days.

In order to be eligible to apply for a posted vacancy, an employee must meet the following criteria:

- (1) The employee has at least three (3) full years (as defined in Article 6, Section 1 of this Agreement) of full-time employment in the system or the service specified in Section Three (h). For appointments effective at the start of the next school year, employees who will have completed the required years of service by the end of the school year shall be deemed eligible.
- (2) If the vacancy would be a lateral transfer, as opposed to a promotion, for the employee, it has been at least two (2) years since the employee had an employee-initiated transfer.
- (3) The employee may not have an unsatisfactory evaluation or be in the supervisory assistance segment of the evaluation process.

Vacancies posted from August 15 to March 15 will be available for transfer, in accordance with this agreement, along with those vacancies arising between March 15 and June 15 arising from individuals retiring in accordance with Article 28 of this agreement. Such transfers arising from such vacancies occurring during the above-described transfer period shall take effect at the start of the following school year, provided that the Board has the discretion to immediately transfer the individual into the new position.

In addition, for vacancies arising outside of the above-described transfer period, qualified CTECS employees who are otherwise equal in qualifications shall still have a preference over outside applicants in filling vacant positions covered by this agreement.

- (b) The Union president shall be sent a copy by e-mail and bargaining unit employees will receive notice in the following manner:
 - (1) during the school year - via the employee's electronic mailbox;
 - (2) during the summer recess - by posting on the school district's web-site.
- (c) All postings will include subject or trade area, certification, location and the deadline and procedure for applications.

Section Two. Application.

- (a) In order to be considered for a lateral transfer or promotion, an interested employee must submit an application on the form posted on the web site. Such application must be received in the Human Resources in the format identified in the posting by the application deadline.
- (b) An employee who has applied for and been granted a lateral transfer shall not have any preference based on seniority or bargaining unit status if he or she applies for a similar position which is to be filled effective within two years of such lateral transfer. This language is not applicable to employees applying for a promotional opportunity. For positions which are promotions, other provisions in this article shall apply.
- (c) An instructor who voluntarily transfers to a position in a subject other than what he/she is currently teaching must remain in that position for two (2) years before being eligible to transfer.

Section Three. Selection.

For vacancies arising during the transfer period specified in Article 11, Section One (a), the following shall apply:

- (a) Instructors. The most senior Instructor who is certified and currently teaching in the subject or trade area designated on the posting shall be transferred. If no such Instructor applies, the most senior Instructor who is certified, has taught (within the last five years) in the system in the subject or trade area designated on the posting, and who provides appropriate documentation of such shall be offered the transfer.

The phrase "taught (within the last five years)" will be interpreted to mean six months of full-time teaching experience or its part-time equivalent.

- (b) Academic/ School Counselor/Special Education Department Heads. A

vacancy in a Department Head position may be filled by transfer pursuant to (1) below or promotion pursuant to (2) below. However, an Instructor may be promoted into a Department Head position only if he or she has more seniority than a Department Head applying for transfer pursuant to (1) below.

- (1) The most senior Department Head who has satisfactorily completed the Department Head probationary period and is currently assigned in the area designated on the posting shall be offered the transfer unless a more senior employee is promoted pursuant to (2) below.
- (2) Instructors and counselors promoted to Academic/School Counselor/Special Education Department Head will be promoted based on consideration of their experience (inside and outside the Connecticut Technical Education and Career System), achievements and educational attainment. When the above considerations are equal, seniority will be the determining factor.
- (3) The mechanism for selecting applicants under this subsection shall be in accordance with the System's standard hiring practices.

Selection shall not be subject to the grievance and arbitration provisions of this agreement, except that a grievance limited to a claim that the process has not been properly followed may be brought under Article 21, Section One (a) (2) of the contract.

- (c) Trade Department Heads.

For vacancies arising during the transfer period specified in Article 11, Section One (a), the following shall apply:

- (1) The most senior Department Head who has satisfactorily completed the Department Head probationary period and is currently assigned in the trade area designated on the posting shall be offered the transfer unless a) that person's Department Head evaluations document low enrollment in the person's trade department unrelated to issues of overall enrollment at a school, or b) a more senior trade Instructor currently teaching in that trade area is equally qualified based on consideration of experience (inside and outside the Connecticut Technical Education and Career System), trade achievements and educational attainment. Disputes over this subsection are grievable but not arbitrable.
- (2) If no Department Head applies, the five most senior Instructors currently teaching in the trade area designated in the posting shall be interviewed, with the Board hiring the person from that applicant pool it deems to be most qualified. Disputes over this subpart (2) may be submitted to

arbitration pursuant to Article 21, Section Six of this Agreement; the arbitrator shall be without power to modify the Board's decision unless the arbitrator finds that such decision was arbitrary and capricious.

- (3) For vacancies arising outside of the transfer period specified in Article 11, Section One (a), the mechanism for selecting applicants shall be in accordance with the System's standard hiring practices.
- (d) Advancement from VS 02 to VS 03 shall be considered a promotion.

Except for vacancies arising during the exempt period specified in Article 11, Section One (a), qualified applicants from within the system shall be given preference for promotion before outsiders are considered except where in conflict with affirmative action goals of the agency.

- (e) This Section shall be reopened in the event that the Commission on Human Rights and Opportunities issues a certificate of noncompliance pursuant to Section 46a-68-67 of the Regulations of Connecticut State Agencies or issues a complaint pursuant to Section 46a-68-71. If the parties cannot reach agreement, their dispute shall be subject to binding interest arbitration pursuant to C.G.S. 5-276a.
- (f) Under no circumstances may a junior employee grieve the selection of a senior employee.
- (g) Durational employees who have been employed for less than eighteen (18) calendar months may apply for vacancies but shall have no entitlement over outside applicants. Durational employees who have been continuously employed eighteen (18) calendar months or more may apply for vacancies and shall have entitlement over outside hires. Upon appointment to a permanent position, time spent as a durational employee shall count for seniority; such time shall also count for tenure as provided in Article 15.
- (h) Regularly scheduled part-time employees employed in the regular day program who have been regularly scheduled for thirty-two (32) hours per week and who are certified and currently teaching in the subject or trade area specified on the posting, shall have no entitlement over full-time instructors but shall have entitlement over outside hires, after consideration of affirmative action goals.

Section Four. Effective Date of Transfer or Promotion.

An employee who applies for and is granted a transfer or promotion after the start of the school year shall be placed in the new position unless the Superintendent determines that the best interests of the system or school(s) will be better served by deferring the transfer or promotion to a later date.

If it is known that a position will not be filled until the start of the next school year, the posting and selection shall take place between March 15 and May 15 as provided in Section One.

Section Five. Probation for Promotion from Instructor to Department Head or From VS 02 to VS 03.

- (a) An Instructor who is promoted shall serve a two (2) year probationary period. Failure to perform satisfactorily during the probationary period shall result in reassignment to an instructor position. This instructor will thus be allowed to a) fill a vacancy for which he/she is certified and has taught within the last five (5) years; b) bump the least-senior instructor in a position for which this instructor is certified and has taught within the last five (5) years; or c) accept a layoff and retain rights in accordance with Article 12 of this agreement.
- (b) Nothing in this article shall be construed as superseding the tenure requirements of this Agreement.
- (c) An employee who fails a promotional probationary period shall be precluded from applying for another promotional position for a period of three (3) years thereafter, and he/she must have achieved satisfactory or better evaluations during the three-year period.

**ARTICLE 12
LAYOFF AND RECALL**

Section One. Definition and Notice.

A layoff is defined as the involuntary, non-disciplinary separation of an employee from State service because of lack of work or other economic or statutory necessity.

The Board shall give notice of layoff for the coming school year to a tenured employee by June 1.

The layoff and bumping procedures set forth in Sections Three, Four and Five of this Article shall be used for all layoffs, including but not limited to programmatic layoffs and layoffs due to a decline enrollment.

Section Two. Seniority Definition.

Seniority shall be defined as continuous service from date of original appointment to a full-time bargaining unit classification regardless of teaching assignment. All leaves of

absence will be used in computing the length of service.

Section Three. Department Heads.

- (a) In the event of a layoff, employees shall be laid off in the employee's current Department Head assignment in order of inverse seniority (as defined in Section Two).
- (b) The laid off Department Head shall be entitled to:
 - 1. Superseniority for any vacancy for which he/she is certified and has taught in the Connecticut Technical Education and Career System in a full-time capacity (Full-time capacity includes time spent in a durational position, but does not include substitute or part-time work); OR
 - 2. Displace the least senior Department Head in current teaching assignment; OR
 - 3. Displace the least senior Instructor in current teaching assignment, provided the Department Head has greater seniority than that Instructor; OR
 - 4. Displace the least senior Instructor in a different teaching area, provided the Department Head has greater seniority than that Instructor, is currently certified in that area and has taught in the Connecticut Technical Education and Career System in that area in a full-time capacity. (Full-time capacity includes time spent in a durational position, but does not include substitute or part-time work.); OR
 - 5. Elect layoff and placement on the Recall List.
- (c) A Department Head who takes an instructor position as provided above in lieu of layoff shall be placed on the Recall List for Department Head positions, provided he/she has not rejected a Department Head position within a thirty-five (35) mile radius of his/her home.

Section Four. Instructors.

- (a) In the event of a layoff, employees shall be laid off in order of inverse seniority (as defined in Section Two) in the employee's current teaching assignment.
- (b) The laid off Instructor shall be entitled to:

1. Superseniority for any vacancy for which he/she is certified and has taught in the Connecticut Technical Education and System in a full-time capacity (Full-time capacity includes time spent in a durational position, but does not include substitute or part-time work); OR
2. Displace the least senior Instructor in current teaching assignment, provided he/she has greater seniority than that Instructor; OR
3. Displace the least senior Instructor in a different teaching area, provided he/she has greater seniority than that Instructor, is currently certified in that area and has taught in the Connecticut Technical Education and Career System in that area in a full-time capacity. (Full-time capacity includes time spent in a durational position, but does not include substitute or part-time work.); OR
4. Elect layoff and placement on the Recall List.

Section Five. Bumping.

- (a) Department Heads and Instructors in permanent positions who do not have an option to elect a permanent position as provided above may displace any durational Department Head or any durational Instructor with less continuous full-time service in the bargaining unit (excluding substitute work), provided he/she is certified in that area and has more continuous full-time service than the durational employee.
- (b) A permanent employee who bypasses a permanent position to accept a durational position shall have no bumping entitlement upon termination of the durational position, but shall have recall rights while occupying the durational position as well as for two years following termination from such position.
- (c) A permanent employee who has no option to transfer or bump into a permanent position and accepts a durational position shall have recall rights while occupying the durational position as well as for two years following termination from such position. Upon termination of the durational position, the employee may elect to bump a less senior permanent employee or durational employee provided he/she has not refused a recall offer or otherwise had available to him/her a permanent position.
- (d) Initial durational employees shall have no entitlement to displace other employees and shall have no recall rights.
- (e) Nothing in this Article shall be deemed to preclude or restrict the Superintendent from terminating a probationary employee in his/her first

year or non-renewing a non-tenured employee's contract. Nothing shall preclude or restrict the Superintendent from removing a probationary Department Head.

- (f) Transfers under this Article shall be given priority over any other transfer procedures in the Division.
- (g) The Agency working with DAS and OLR shall determine all employees who may be at risk for bumping and shall provide them with notice of potential layoff at the time notices are given to the employees identified above.

Section Six. Recall Procedures.

The senior employee laid off shall be recalled first to fill any vacancy for which he/she is certified provided he/she has taught in the subject or trade area within five (5) years prior to the date of layoff. A vacancy is the position which remains vacant after current employees have been afforded the opportunity to exercise their rights to transfer as provided in Article 11.

The previous sentence notwithstanding, Department Heads with recall rights who have completed the Department Head probationary period shall be offered Department Head vacancies provided they are certified and have held a Department Head position in the same area or trade before less senior instructors are offered the position; this applies to active instructors and instructors on recall. Employees from the Recall List will be offered vacancies before the vacancy is posted as provided in Article 11.

The Board shall make a good faith effort to accommodate certified and qualified employees on the Recall List who wish to work in part-time, daily substitute or durational positions. An employee accepting such work shall retain recall rights to full-time permanent positions.

Recall rights shall be retained for two (2) years from the effective date of the layoff unless sooner terminated by the rejection of a recall offer within a thirty-five (35) mile radius of his/her home.

An employee who accepts an offer of a full-time substitute position shall waive recall rights on the basis of each year of such substitute work substituted for each year of recall rights. If the employee works only one year as a full-time substitute, the employee will retain one year of recall rights. If the employee continues in a full-time substitute position for more than two years, there shall be no recall rights when the employee's appointment to the full-time substitute position is not renewed.

Upon reinstatement or reemployment, employees will be returned at the salary step they had attained at time of layoff.

Section Seven.

The Board shall not hire from the outside to fill a vacancy in a certification for which there is a teacher who elects to exercise recall rights.

Section Eight.

An employee laid off shall retain accrued sick leave to his/her credit provided he/she returns to State service on a permanent basis within two (2) years of the date of layoff.

Section Nine.

Nonrenewals of non-tenured teachers shall not be considered layoffs under this Article. As used in this Agreement “non-tenured teachers” are those who have not achieved tenure as provided in Article 15, Section One.

Section Ten.

If, at the time of layoff, an employee is serving in a special assignment or “acting” capacity, for purposes of this Article, that employee’s “current assignment” shall be considered his/her most recently held regular Department Head or Instructor assignment.

Section Eleven.

An employee must be certified, licensed and meet the standards/requirements of any approving bodies (e.g., Nursing Board of Examiners) to transfer to, bump into or be recalled to a position that calls for a particular certification, license or other standard/requirement.

**ARTICLE 13
DISMISSAL, SUSPENSION OR OTHER
DISCIPLINE**

Section One.

Tenured employees and non-tenured employees with more than two (2) years of service shall not be dismissed, suspended or disciplined except for just cause.* Arbitration shall be the exclusive procedure for resolving disputes over dismissals or suspensions under this Article and shall supersede any pre-existing procedure, including the procedure specified in Chapter 166, Section 10-151 of the Connecticut General Statutes. The Arbitrator shall have the right to reinstate employees, award back pay, and issue other appropriate remedial orders within the scope of this Agreement. As used in this Agreement “non-tenured teachers” are those who have not achieved tenure as provided in Article 15, Section One.

- * The just cause standard does not apply to termination or non-renewal of a non-tenured employee's contract. For termination or non-renewal of a non-tenured employee's contract, recourse may be had pursuant to Article 15, Section 2.

Section Two.

Employees with less than two (2) years of service may grieve discipline under Article 21 based on a claim of inequitable treatment. Any such grievance shall not be arbitrable.

Section Three.

Whenever it becomes necessary to discipline an individual employee, the School Principal shall undertake said talks in private.

Section Four.

When an investigation which leads to a disciplinary action for a teacher includes student statements, the SVFT will be provided copies of those statements subject to restrictions, limitations, and/or provisions of applicable law.

**ARTICLE 14
ADMINISTRATIVE TRANSFER**

Section One.

- (a) An administrative transfer is a transfer from one school to another school, made or approved by the Superintendent. Administrative transfer shall not be used to circumvent the right of a senior employee to a lateral transfer pursuant to Article 11. The Superintendent shall approve voluntary administrative transfers only in special circumstances such as the need to retain a teacher in a shortage area, accommodation to a teacher's relocation or child care needs, or to meet the needs of bumped employees who wish to exchange the schools to which they were bumped.
- (b) Notice of administrative transfer shall be given to employees and the Union at least fifteen (15) days prior to the effective date of the transfer. For transfers to begin at the commencement of a new school year, notice will be given by May 15 where possible and practicable. An affected employee who makes a written request within seven (7) days of receipt of said notice shall be granted a meeting with the Superintendent or his/her designee to discuss the transfer, provided that the Superintendent's decision shall be final
- (c) The Board agrees that administrative transfers are not to be used as disciplinary measures.

- (d) An Instructor administratively transferred shall not be required, as a result of the transfer, to commute more than his/her current commuting distance or more than forty (40) miles from home to school, whichever is greater.
- (e) The rank held by a teacher shall be a relevant consideration when making administrative transfers.

ARTICLE 15 TENURE AND NONRENEWAL

Section One. Tenure.

For all purposes of this Agreement, in order to attain tenure, an employee must complete four (4) years of full-time service as a Connecticut Technical Education and Career System Instructor. Part-time employment in the regular day program of the Connecticut Technical Education and Career System shall be counted toward tenure service on a pro rata basis, for up to two of the four years required. Effective September 1, 2022, part-time employment in the regular day program of the Connecticut Technical Education and Career System shall be counted toward tenure service on a pro rata basis for those employed in the System in a part-time teaching position as of that date. This provision shall supersede Connecticut General Statutes § 10-151 and any other conflicting statutory provisions or regulations.

Section Two. Non-renewal of a Non-tenured Employee's Contract.

Written notice of non-renewal of a non-tenured employee's contract will be sent not later than April 1, provided, however, that in the fourth year notice of non-renewal may be sent at a later date if the employee has not completed thirty-seven (37) months of service for tenure purposes by April 1. Such employee shall be given notice of non-renewal as not later than the first day of the month following his/her completion of thirty-seven (37) months of service.

A non-tenured employee with two (2) or more years of service who is terminated or non-renewed may, upon written request filed with the Superintendent within ten (10) days after receipt of notice of termination or non-renewal, be entitled to a hearing before the Board's designee, who will be the Superintendent. The hearing will be held within thirty (30) days of such request. The employee will have the right to appear with a Union representative. Nothing shall prevent the Board and the employee from agreeing to a hearing before an impartial hearing panel established and conducted in accordance with the provisions of Connecticut General Statutes §10-151(c) without the right to appeal provided in Connecticut General Statutes §10-151(f).

**ARTICLE 16

Section Three. Afternoon PPT Conferences.

When PPT conferences are scheduled in the afternoon, the following will apply:

- (a) Afternoon conferences:

Section Four. Notice of PPT Conferences.

Employees will be given twenty-four (24) hours' notice of PPT conferences, except in case of emergency.

Section Five. Extension of the Work Year.

The Superintendent may approve extending the work year for Special Education employees for up to an additional ten (10) scheduled workdays during the twelve (12) month year, usually up to five (5) workdays at the beginning and five (5) workdays at the end of the summer recess. Such additional days shall be used primarily for completion of prior year reports, development of IEPs, participation in PPTs, and planning activities for the school year. Such additional days will be scheduled by the School Principal after consultation with the special education department head and the affected employee(s). For each such workday, a special education employee will be paid the applicable per diem rate.

ARTICLE 17

SCHOOL COUNSELORS AND DIRECTORS OF SCHOOL COUNSELING

Section One. Extension of the Work Year.

The Department may extend the work year for school counselors and directors of school counseling for up to an additional thirty-six (36) scheduled workdays during a twelve (12) month year, usually up to eighteen (18) workdays at the beginning and eighteen (18) workdays at the end of the summer recess. Such additional days will be scheduled by the School Principal after consultation with the director of school counseling or school counselor. For each such workday, such school counseling personnel will be paid the employee's per diem rate.

Section Two. Workday.

The workday for school counselors and directors of school counseling will be the same length as regular instructors. It will not be divided up into periods. school counselors and directors of school counseling will have the same amount of unassigned administrative time and preparation time as other academic personnel, but will be expected to self-activate whenever professional performance requires.

An employee temporarily assigned in writing by the Principal, or his or her designee, to serve as Department Head shall, commencing with the twentieth consecutive workday, retroactive to the first workday, be paid the Department Head rate.

Section Four. Trade Department Heads.

The parties agree with the principle that Trade Department Heads should have sufficient time to do shop/theory observations and that preparation periods are not to be used for that purpose. Every effort shall be made to provide each Trade Department Head with two periods of coverage for each observation - one for the actual observation and one for the preparation for the post-observation conference, consistent with operating needs.

ARTICLE 20
SUMMER SCHOOL, NIGHT SCHOOL, SPECIAL PROGRAMS
AND EXTRACURRICULAR ACTIVITIES

Section One. Posting, Vacancies and Removal.

Summer school and special program positions shall be posted annually. Other positions shall be posted only when a vacancy is available due to the resignation, non-renewal or discharge of the incumbent. In general, vacancies occurring in these programs shall be posted by the end of May. The posting period shall be seven (7) calendar days.

- (a) Vacancies in the programs will be posted at the school at which they occur and notice of a vacancy at one school shall be distributed to other schools and satellites by facsimile, e-mail or other electronic means.

- (c) These positions will be filled, if possible, from applicants within each school.
- (d) Only where no full-time bargaining unit members apply will the Board appoint a non-bargaining unit candidate.

An incumbent in a summer school, night school, special program or extra-curricular activity may be removed during the term of an appointment for cause. The failure to rehire or renew the appointment of an incumbent in one of these positions for the next term shall not require cause provided that the reason for removal is neither arbitrary nor capricious and notice of non-renewal is given no later than thirty (30) days following the end of the program.

After three (3) consecutive years' appointment to the same summer school, night school, special program or extra-curricular activity, a full-time tenured employee who is removed from such supplemental position may request a review of the removal by the Superintendent or his/her designee. If the Union is not satisfied with the Superintendent's decision, the Union may submit the grievance to arbitration pursuant to Article 21, Section Six of this Agreement. The arbitrator shall be without power to modify the Superintendent's decision unless the arbitrator finds that such decision was arbitrary and capricious.

Section Two. Qualifications and Seniority.

mean:

- a) Possessing the appropriate and requisite certificates and minimum standards to compete for the position; and
- b) Demonstrated competence and ability to meet the disciplinary standards, rules and regulations of the school, the Connecticut Technical Education and Career System, the CIAC, the applicable league, and/or the State Board of Education; and

After an applicant is then selected to one these positions, their employment in that position (including continuation in such position) is otherwise subject to Article 20.

**ARTICLE 21
GRIEVANCE AND ARBITRATION PROCEDURE**

Section One. Definitions.

- (a) A Grievance is defined as a complaint that:
 - (1) There has been a violation, misinterpretation or improper application of a specific provision(s) of the Agreement; or
 - (2) An employee has been treated unfairly and/or inequitably by reason of an act or condition which is contrary to established policy or practice governing or affecting employees.

- (b) A Grievant shall mean either:
 - (1) An individual employee:
 - (2) A group of employees having the same grievance; or
 - (3) The Union.
- (c) The term “days” where used in the Article shall mean calendar days, including Saturdays, Sundays and holidays.

Section Two. Contents of Written Grievance.

The written grievance shall set forth specifically the act(s) or condition(s) giving rise to the grievance and the remedy sought, and in case of a grievance under Section One (a), the contract provision(s) alleged to have been violated, misinterpreted, or improperly applied.

Section Three. Informal Process.

- (a) Prior to lodging any formal grievance, the employee and, if he/she wishes, a Union representative will be encouraged to meet with the School Principal or his/her designee to resolve the complaint. A record of such effort shall be incorporated into any subsequent formal grievance in order to establish that a good-faith effort was made by both parties prior to the lodging of a formal grievance.
- (b) These meetings may be scheduled during the school day provided that they do not disrupt either teaching assignments or the educational process.
- (c) All grievances must be processed through the Union as specified below. However, a bargaining unit member may informally discuss any matter in his/her interest with his/her supervisor. This is not to be construed as allowing the individual to bargain in any way with his/her supervisor or the administration.
- (d) Should an employee, in exercising his/her rights under (c) above, reach an understanding or agreement with a supervisor, then the understanding or agreement must be consistent with the provisions of this Agreement. Copies of all grievances, correspondence, responses, and final resolution shall be provided to the Union.

Section Four. Timely Processing.

- (a) The Union shall be responsible for filing any grievance to the next highest step should the Board or its agents fail to adhere to any time limit described herein.

- (b) Failure by the Union or its agents to appeal a grievance to the next higher step within the described time limit shall constitute a waiver of the grievance.
- (c) These time limits may be extended only by mutual agreement.

Section Five. Grievance Procedure.

- (a) Level 1

A grievance must be filed in the form of written notification to the School Principal or the Assistant Principal no more than thirty (30) days after the grievant knew or reasonably should have known of the grievance. The grievant and the Union representative shall meet with the School Principal or Assistant Principal in an attempt to resolve the grievance. A written response shall be provided to the Union by the Principal or Assistant Principal within ten (10) days of the receipt of the grievance by the Principal.

- (b) Level 1

If a grievance arises from the action of authority higher than a Principal, the Union may present such grievance at Level 2 without going through Level 1 provided a copy of the grievance be provided to the Principal at the time of filing.

- (c) Level 2

Within ten (10) days after the Principal's decision is due, the Union shall have the right to appeal the decision to the Labor Relations Manager. The Director or his/her designee shall meet with the Union and issue a written response within ten (10) days. A brief statement of the reason or reasons for the denial of the grievance shall be included in the response. This, however, shall not limit the Board's defenses in arbitration.

Section Six. Arbitration

Within twenty (20) days from the date the decision of the Labor Relations Manager or his/her designee is due, the Union, and not any individual employee(s), may submit the grievance to arbitration, except that an individual employee with tenure may submit to arbitration a grievance involving dismissal.

- (a) Submission to arbitration shall be by letter from the Union to the American Dispute Resolution Center (ADRC) or the American Arbitration Association (AAA) (whichever agency the parties mutually agree to use from time to time) for resolution in accordance with their then current rules. A copy of said letter shall be forwarded to the Superintendent and the Legal Director.
- (b) The arbitration hearing shall be scheduled at a time and place convenient to the parties and shall be conducted under ADRC or AAA rules.
- (c) In any case where the evaluative judgment of management is subject to arbitration, the arbitrator shall not substitute his/her judgment unless the Union can show that management acted arbitrarily or capriciously.
- (d) The Arbitrator's decision shall be final and binding on the parties, provided, however, the submission of a question of substantive arbitrability to an Arbitrator in the first instance shall not be deemed an election or waiver by the State of its right to de novo judicial review over such question. In all other respects the scope of judicial review over arbitrable awards under State law shall not be expanded or diminished by this contract.
- (e) Only disputes over the violation, misinterpretation or improper application of a specific provision or term of this Agreement shall be arbitrable except that among such disputes the following matters shall not be arbitrable:
 - (1) The failure or refusal by the Board to renew the contract of or reappoint a probationary (non-tenured) instructor.
 - (2) Disputes over unsafe working conditions under Article 10, Section Four or unless the State Department of Labor has declined jurisdiction.
 - (3) As limited by Article 9, Section One(c).
 - (4) Disputes over promotions under Article 11, Section Four.
- (f) The Arbitrator will be without power or authority to alter, add to, or subtract from the provisions of this Agreement or to make a decision which is violative of or inconsistent with the terms of this Agreement or applicable law.
- (g) Fees and expenses of the Arbitrator shall be borne equally by the parties. Witnesses and grievants necessary to the proceeding and the Union officer or representative presenting the case shall suffer no loss of pay when called to arbitration hearings. Other expenses shall be borne by the party incurring the expenses.

- (h) The parties may agree that any arbitrator who has been previously appointed by the ADRC or AAA and remains mutually acceptable to the parties, be designated to hear a pending matter, if such selection would expedite the resolution process.

Section Seven. Voluntary Facilitation.

In any case wherein the parties have determined that the outstanding issues are such that it is the issue of remedy, rather than the underlying contractual violation that has made resolution difficult, the parties may submit the matter to an agreed upon facilitator/arbitrator, along with a brief statement of the facts and a proposed remedy.

The facilitation shall be scheduled at a time when two or more matters are to be considered. Not later than five (5) days prior to the meeting, the parties shall exchange their submissions. At said meeting, each advocate shall present the argument and underlying reasoning to the facilitator, who shall issue a remedy thereon, within fifteen (15) days of the meeting. Said remedy must be consistent with the agreement.

The parties may elect to utilize this modified appeal process in any other case deemed appropriate or desirable.

Section Eight. Mediation

All employees are encouraged to participate in and make use of the mediation process.

**ARTICLE 22
SENIORITY**

Section One. Service Included.

The seniority of each employee shall begin on the first day of employment in the bargaining unit. All leaves of absence will be used in computing the length of service. Time spent in a full-time durational position shall count toward seniority upon appointment to a permanent position, provided there is no break in service.

Section Two. Break in Seniority.

Seniority shall be broken when an employee terminates and shall not be restored after a service break. Employees with recall rights are not considered to be terminated under this Section.

Section Three. Breaking of Ties.

Employees with the same beginning date of employment shall have their seniority determined by lot and shall be assigned a “rank” to identify the order of seniority. The individual assigned rank 01 has the greatest seniority among the employees with the same beginning date of employment.

The last four digits of each teacher’s Social Security number is used to determine rank. The tie-breaker is determined by the first of the last four digits, or if the first digits are the same, by the second digit; if needed, the third digit and then the fourth digit are used.

Highest Seniority - 1	6 th Highest Seniority - 7
2 nd Highest Seniority - 0	7 th Highest Seniority - 2
3 rd Highest Seniority - 3	8 th Highest Seniority - 8
4 th Highest Seniority - 9	9 th Highest Seniority - 5
5 th Highest Seniority - 6	10 th Highest Seniority - 4

The Board shall prepare a system-wide seniority list and make a copy available to the Union by January 1 of each contract year.

Other meetings shall be scheduled by mutual agreement.

The meeting location shall alternate between the administrative offices of the System and the Union's offices.

When the meeting takes place at the System's offices, it shall be chaired by a representative of the Employer. When it takes place at the Union's office, it shall be chaired by a representative of the Union.

The chair of the upcoming meeting shall distribute the agenda for the meeting one week in advance. All requests for agenda items shall be submitted to the chair at least two working days before the date for distribution of the agenda. If the Legislature rejects such request as a whole, the matter shall be returned to the parties for further bargaining or arbitration proceedings as may be applicable and as may be required by Connecticut General Statutes Section 5-278, as may be amended from time to time.

**ARTICLE 30

Section One.

**ARTICLE 31
BARGAINING WAIVER AND EXCEPTIONS**

Section One.

The parties acknowledge that during the negotiations which resulted in this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understanding and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, except as noted below, for the duration of this Agreement the Board and the Union each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subjects or matters referred to or covered by this Agreement or which may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.

MEMORANDUM OF UNDERSTANDING

The Department does not intend to exceed seven (7) periods per day; however, it may be necessary to increase the length of the periods.

MEMORANDUM OF UNDERSTANDING

Accruals and Charges - Sick Leave and Personal Leave.

Teachers shall continue to accrue and utilize sick and personal leave on the basis of a “day” being defined as seven (7) hours. (This definition of a “day” as seven (7) hours is solely for the purpose of handling leave accruals and usage.) Teachers shall continue to accrue 10.5 hours of sick leave per month (excluding July and August) and 21 hours of personal leave per year. This will eliminate the need to adjust previous balances and future accruals. Time off should be scheduled in minimum increments of fifteen (15) minutes.

For a full day’s absence, the charge is seven (7) hours, regardless of whether the actual hours are less than normal (as in a late opening or early closing due to weather or a scheduled early dismissal day) or more than normal (as on a day when a fifty-minute faculty meeting is scheduled).

- a. If weather or other circumstances necessitate an early closing before 240 minutes of actual student instruction, this is not an early dismissal day, and no charge is made to an absent employee’s leave balances.
- b. If a prior arrangement has been made to work the normal day and return to work for an evening activity (such as Open House on Thursday coupled with an early dismissal day the following day (Article 6, Section Two (b))), the absent employee is charged one day. The employee’s absence for the evening activity is dealt with by requiring the employee to work the normal full day schedule the following day, or treating the absence at the evening activity as a partial day absence on the following day.

In general, vacancies occurring in these programs shall be posted by the end of May. The posting period shall be seven (7) calendar days.

- (a) Vacancies in the programs will be posted at the school at which they occur and notice of a vacancy at one school shall be distributed to other schools and satellites by facsimile, e-mail or other electronic means.

After three (3) consecutive years' appointment to the same summer school, night school, special program or extra-curricular activity, a full-time tenured employee who is removed from each supplemental position may request a review of the removal by the Superintendent or his/her designee.

Section Two. Qualifications.

Only candidates certified or qualified for a particular position shall be hired.

For the purposes of this Section, "qualified" shall be interpreted to mean: (a) possessing the appropriate and requisite certificates and minimum standards to compete for the position; (b) demonstrated competence and ability to meet the disciplinary standards, rules and regulations of the school, the Connecticut Technical Education and Career System, the CIAC, the applicable league, and/or the State Board of Education; and (c) competing demands of other positions where the applicant has three or more concurrent positions.

When qualifications among candidates are relatively equal, seniority shall be the determining factor. For part-time applicants, seniority will be determined on a pro-rata basis as identified in SA Article 11, Section 2. Under no circumstances may a junior employee grieve the selection of a senior employee.

Section Three. Board Prerogatives.

Section One. Definition.

Regularly scheduled part-time employees shall accrue pro rata seniority calculated on the number of hours and/or number of days scheduled during the school year. No other employees covered by this Supplemental Agreement shall accrue seniority.

Section Two. Application of Seniority to Layoff.

Seniority shall be accrued for regularly scheduled part-time employees for the sole purpose of determining order of layoff among such regularly scheduled part-time employees at a particular Connecticut Technical Education and Career System School.

In the event of a layoff at a school, regularly scheduled part-time employees shall be laid off in order of inverse seniority (as defined in this Section) in the employee's current teaching assignment.

A regularly-scheduled part-time employee paid on an hourly basis and employed in the regular day program facing layoff shall have priority consideration for any regularly-scheduled part-time vacancy in the regular day program for which he/she is properly certified. If no such vacancy exists, the individual facing layoff may bump the least senior regularly-scheduled part-time employee in the system in his/her current teaching area in the regular day program, provided he/she possesses the appropriate certification.

Nothing in this Article shall be deemed to preclude or restrict the Superintendent from exercising his/her rights as specified in Supplemental Agreement Article 5, Section Two.

APPENDIX A
SALARY PLACEMENT ON CHANGE IN STATUS

1. When an employee has received his/her professional certificate which would entitle him/her to move to a higher salary group, step placement pursuant to said movement shall be calculated by adding the amount of the average annual increment of the higher salary group to the employee's current annual salary and placing him/her on that step in the higher salary group which is at least equal to that amount. The new salary rate will remain in effect through the end of the school year; there will be no decrease in the summer (pro-rata) pay to reflect the school days worked at the lower rate.

The effective date of the increase shall be the start of the pay period on or after the date the professional certificate is effective provided the employee immediately provides a copy of the professional certificate to the School Principal. If the employee delays in providing a copy of the professional certificate to the School Principal, the effective date of the increase shall be the start of the pay period following delivery of the certificate to the Principal.

2. An instructor who is promoted to Department Head shall be placed on that step in the higher salary group which is an increase of at least the amount of the average annual increment of the higher salary group.

3. When an employee transfers to a classification in a lower salary group in lieu of layoff, step placement shall be by the round-down method, i.e. the employee is placed at that step in the lower salary group which is closest to but not more than the annual salary he/she was receiving immediately prior to the effective date of the transfer.

4. When an employee moves, voluntarily or involuntarily for disciplinary reasons, to a classification in a lower salary group, he/she shall be placed on that step in the lower salary group which is arrived at by subtracting the average annual increment of the higher salary group from the employee's annual salary immediately prior to the effective date of the transfer and placing him/her on the step closest to but not more than the resulting figure. Examples: 1) An employee with a professional certificate in his/her teaching area applies for and is granted a transfer to a different teaching area where he/she has a provisional certificate. 2) A department head applies for and is granted a transfer to an instructor position. 3) An employee is involuntarily transferred to a different teaching area or demoted from department head to instructor for disciplinary reasons.

5. When an instructor is administratively transferred to another school and is required to teach a different subject or when an instructor is reassigned in the same school and a change in subject is involved and such administrative transfer or reassignment is unrelated to a reduction in force, transfer in lieu of layoff or discipline, no salary reduction shall occur if the instructor had a professional certificate in the former subject area and an initial or provisional certificate in the new subject area.

6. Attainment of a professional certificate shall not entitle an initial educator to be slotted as a professional educator unless the professional certificate is in the area in which

such employee is currently teaching.

7. For purposes of lateral or administrative transfer, no differentiation will be made based solely on whether an applicant has an initial, provisional or a professional certificate.

8. Salary paid during the summer shall be at the bi-weekly rate in effect at that time; there will be no decrease in the summer (pro-rata) pay to reflect the days worked at a lower rate, during the same school year.

APPENDIX A

- GROUP VS 03: Department Heads; Psychologist/Social Workers; Dean of Students

The Superintendent shall have the discretion to advance a tenured employee who is teaching in a shortage area up to two steps on the salary schedule when the Superintendent finds that such advancement is required to bring such employee's salary to a level comparable to that of a recent hire with comparable qualifications who is teaching in the same area, in the same school. For the purpose of this provision, shortage areas are English, mathematics and science.

In the event that the Board establishes a new classification during the term of this Agreement, the classification shall be allocated to the pay plan that has positions of comparable qualifications and duties.
